### NOTES

1. Certificate shall not contain erasures or words written over one another. Any alterations must be made by deleting the incorrect particulars and adding any necessary corrections. Any such alteration must be initialled by the person who completed the certificate and endorsed by the customs office (EU) or issuing authority (VN) of the issuing country or territory.
2. No spaces shall be left between the items entered on the certificate and each item must be preceded by an item number. A horizontal line must be drawn immediately below the last item. Any unused space must be struck through in such a manner as to make any later additions impossible.
3. Goods shall be described in accordance with commercial practice and with sufficient detail to enable them to be identified.
